Mermaid's Friends & Seat Sponsors

Mermaid Arts Centre is a registered charity dedicated to bringing high-quality artistic experiences to the people of Co. Wicklow & supporting artists to create new work. Currently, only 40% of our costs are covered by public funding. With rising core costs & static funding levels, the pressure on arts organisations like ours has never been greater. We are extremely grateful to all our supporters. See our website, or pages 2 & 3 for further details on becoming a friend or sponsoring a seat.
